

## **Attention All Parents!**

**Don't Throw Away That Empty Cartridge!  
Bring it to school!**

Our school has launched a fundraising project with the help of an inkjet recycling company **Empties4Cash**. Empty inkjet cartridges can be recycled and remanufactured. Our school will receive up to \$4.00 for each cartridge turned in. This will directly benefit our school and the students not to mention it is great for the environment.

You can help! Any inkjet cartridge with a print head can be recycled, regardless of brand or type. Do you have an HP, Lexmark, Xerox, Compaq, Brother, Dell, Canon, or Apple printer? Bring in your empty OEM inkjet cartridges (placed in the original box that you would have thrown away to keep it safe from spills and damages, or a Ziploc bag) to the school.

Thank you for your Support!

**To:** All of our students and parents

**From:** School office

Our school has launched a recycling and fundraising program with the help of an **inkjet recycling** company called **Empties4Cash**. Here is what the Empties4Cash program is about:

- The empty inkjet cartridges that we usually throw away as trash can be recycled and remanufactured.
- Bring those empty cartridges to school and put them in one of our collection boxes.
- Our school gets paid up to **\$4.00** for each empty inkjet cartridge that has a print head, regardless of the brand or type.
- We need OEM inkjet cartridges that have print heads from all of the following brands of printers:
  - HP
  - Lexmark
  - Dell
  - Canon

**Remember:**

- Put the cartridge in the original box that you would have thrown away after it has been replaced to keep it safe from damages and spills, or a Ziploc bag.
